You Said, We Listened, We Did

On Monday 9th March 2015 Officers from Forest Hill and Perry Vale SNT executed a Misuse of Drugs Search Warrant at an address within Forest Hill. Items used in the production of Cannabis along with a quantity of drugs were seized as well as other items suspected to have been stolen. The occupant of this address is currently assisting police with their enquiries.

Good News Story

Officers from Forest Hill SNT along with colleagues from Perry Vale and Sydenham Safer Neighbourhood Teams have been engaged in a recent motor vehicle crime initiative led by the sector Inspector, Inspector Knowles. This operation was devised to counter the recent rise in theft from motor vehicle offences occurring within these wards. On one day, five people were arrested by police for theft from motor vehicle offences. Further enquiries led to the recovery of a stolen motorbike.

Crime Prevention Advice

Over the past few months, the number of reported Burglaries within Forest Hill ward have continued to drop. This is in part down to the residents of Forest Hill having an increased awareness of home security. Officers from Forest Hill have also been visiting known offenders as well as conducting crime prevention road shows within the ward.

On another note, If you own a pedal cycle, then why not join us at a free bike marking event to be held in partnership with the Safer Transport Team at Finches, Forest Hill SE23 (located on Perry Vale) on Thursday 9th of April 2015 between 4pm and 6pm. If you can't make this but would like to speak to us about other events such as this or any other matter then pop along to our next drop in surgery on 13th of April at Forest Hill Library between 5pm and 6pm.
