### Good News Story

On the 13th of May, officers from Forest Hill SNT assisted by those from Perry Vale ward, executed a Section 23 Misuse of Drugs Act Warrant at an address within one of the residential blocks on Dacres Road, SE23. Having gained entry to the property, an address previously raided by officers, another quantity of drugs was seized. The lone tenant was arrested for possession of Cannabis, charged and subsequently remanded on bail to Bromley Magistrates Court.

### You Said, We Listened, We Did

Officers from your local policing team have been conducting high visibility patrols within Forest Hill's Town Centre following complaints of street drinkers in the area. Officers have dealt with a number of individuals and seized numerous cans of alcohol.

These offenders were then told to leave the area having been found acting in this anti social manner due to the consumption of alcohol. We will continue to deal with this issue and any person found acting anti socially within the ward whether they are drunk or not.

### Crime Prevention Advice

Forest Hill has recently suffered a slight increase in the number of reported robberies in the last month. We remind people to keep valuables from sight as best they can and to be mindful of those around them when out and about.

Also, the MPS have launched Operation Valens, designed to reduce acts of Criminal Damage. For the next nine months your local police, especially the dedicated ward officers will be focusing on reducing Graffiti within the ward. Let us know of any areas in your neighbourhood blighted with this and we will liaise with the local authority to have it removed by contacting us on 020 8721 2723 or ForestHill.SNT@met.police.uk.
