## WHAT WOULD YOU LIKE TO SHARE?

We'd like to hear from people who are interested in inspiring residents of Forest Hill in a fabulous event of local, community-run activities that celebrates just what is available in our community.

Forest Hill high street businesses are offering their venues and facilities for POP UP SHOPS to hold **free** activity sessions. And we are inviting you to take part.

It's a great opportunity to promote your project, interest or business to local people.

For more information go to  
<http://popupforesthill.wordpress.com>

To submit your 45 minute Pop Up session contact Hugh **before the 15th November** and we will include your session in the programme and publicity campaign.
