These works may cause some disruption to residents and visitors. However, we will endeavour to keep this to a minimum. The duration specified above is indicative but we will do our best to complete the works in the minimum time possible. It is possible that the works may take longer than expected if we encounter any unforeseen difficulties for example bad weather.

In order for these works to be carried out in a safe working manner, the access to the footbridge will be closed at both ends of the footbridge and Cox's Walk will be closed from the 15/01/2024 until completion of the bridge works to allow free movement of site plant. A diversion route will be provided for all residents and visitors during the works.
